## Why Race to a Million?

In the United States, one in four children don't know where their next meal is coming from. Last year, Human Arc's Race to a Million raised over \$50,000 for the hungry and food-insecure. This year, we are racing past that with a goal to raise \$60,000 raising enough money to provide 240,000 meals to those in need.

## Who We Are

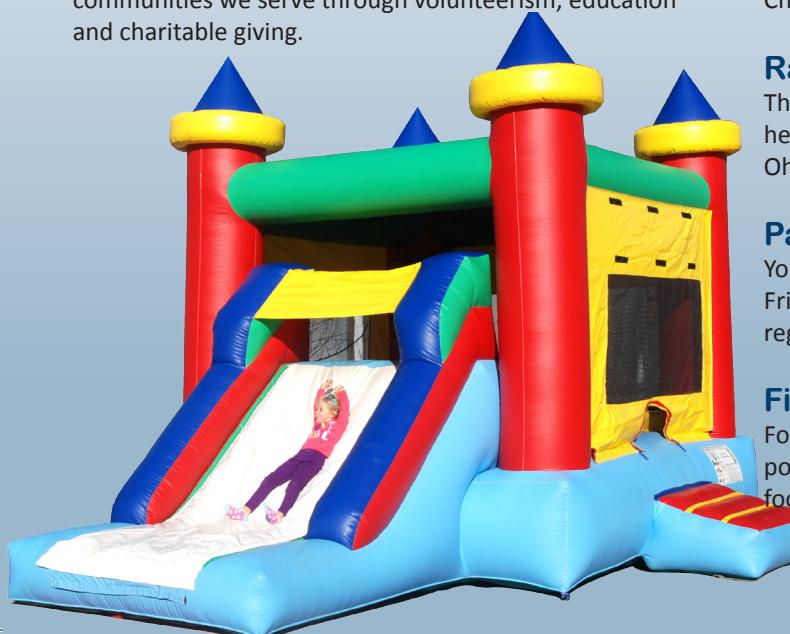

### Greater Cleveland Food Bank

The Greater Cleveland Food Bank is "the vital link between food and hunger" in our community. The Foodbank's 10,000 volunteers distribute over 30 million pounds of food annually through over 600 hunger programs.

### Human Arc

Human Arc works with hospitals and health plans across the country to help their members and patients with government-funded assistance and quality-of-life improvements.

The **Human Arc Family Foundation** believes in "making a difference, one life at a time." Our mission is to provide compassionate and caring service to individuals in the communities we serve through volunteerism, education and charitable giving.
